

REMARKS

The Notice stated that Applicants' response was non-compliant because the listing of claims did not include the text of all claims. The notice stated that only the section containing the alleged non-compliant portion must be resubmitted. Accordingly, Applicants have resubmitted the listing of claims. Applicants note that the claims submitted herewith are identical to those submitted on August 12, 2003, with the exception that this submission also contains the claims classified as withdrawn. This amendment does not contain any new matter. Accordingly, entry of this amendment is respectfully requested.
